STATINT

1. Attached is a memorandum from the General Counsel which, in effect, relaxes previously promulgated requirements for obtaining approval to provide assistance to other Government agencies. In essence, this latest memorandum states that those procedures pertaining to this subject which are outlined in  and that regulation's Annex E will govern.

2. Office directors and staff chiefs are requested to review in detail the provisions of  to ensure that they are currently familiar with its requirements. As relates to paragraph 3 of Mr. Lapham's memorandum, it is obvious that in many cases we will be dealing with gray areas with imprecise precedents or policy guidance. In any such case where there may be some doubt as to the propriety or legality of providing such support, the matter should be promptly referred to the Office of the DDA for my review and decision or for further processing as may be required.

SUBJECT : CIA Assistance to Other Government Components

subj (OL 7 0139)

(b) Memo dtd 7 Sept 76 to DDA fr D/L, same  
subj (OL 6 4467) (DDA 76-4509)

1. Paragraph 4 contains a request for your approval.
2. On 20 December 1976, the Office of Logistics was authorized to actively continue providing certain kinds of support to other Government agencies and departments. Those authorizations pertaining to the Printing and Photography Division (P&PD) were contained in attachment B to reference (b).
3. We are frequently being asked by elements of the Department of Defense (see reference (a)) and other Government components to provide technical and professional information and assistance in the field of printing and photography which are often limited to the operation and effectiveness of a particular piece of equipment. Individual requests of this type and their attendant delays associated with approval/disapproval often result in missed opportunities for the beneficial exchange of information and are not conducive to continuing and effective liaison.
4. In accordance with [redacted] Annex E, it is requested that P&PD be granted blanket authority to conduct continuing liaison with other governmental agencies such as described in paragraph 3 above. Of course, where we are asked to be more substantive in our support, individual approvals will be requested.
